ONLY BEAU-ROC DELIVERS “THE DIAMOND STANDARD”

- Responsive custom design with efficient, on-time delivery from modern 60,000 sq. ft. facility
- Maximum productivity with the original Diamond sidewall profile
- More years and more miles of service with HARDOX 450 steel
- Lowest total operating cost for the life of your truck

A ROCK SOLID INVESTMENT

- **More pay per load:** No posts and braces means less weight without losing cubic capacity
- **100% HARDOX 450 steel body:** Proven wear-resistance for best in industry durability
- **Save on every mile:** Up to 7% fuel savings
- **Less wear, fewer repairs:** Diamond profile flexes instead of breaking under normal stresses
- **Quicker clean-outs:** One-piece tapered floor eliminates catch points for loads
- **Faster delivery:** Fewer weld points save time in production
- **The best look for your business:** Clean, smooth sidewalls for signage and decals

NEED A QUOTE NOW?

Our detailed product database allows us to configure your order in real time. We provide custom quotations to our dealers quickly, then follow through with a seamless flow of production details for manufacturing.
