For over 40 years, Beau-Roc Inc. has been a world leader in the manufacturing of custom steel and stainless steel dump bodies in North America, producing state-of-the-art designs since our foundation in 1984. Our company is as much about the quality of our employees who are part of our team as it is about the quality of our products: from design to manufacturing to marketing of our vast selection of custom dump body models to suit all fleets and applications that are distributed through our network of partners in Canada, the United States.

This is our Game and We do it well!

Our production team is looking for some **Industrial Painters**.

Position Summary:

We are seeking an Industrial Painter to join our dynamic team. The ideal candidate is detail-oriented and takes pride in producing high-quality work. As an Industrial Painter, you will be responsible for applying paint and protective coatings to a variety of surfaces and materials, ensuring a durable, high-quality finish. This position requires a combination of technical skills and the ability to work efficiently in a fast-paced manufacturing environment.

Key Responsibilities:

- Properly prepare surfaces for painting.
- Apply epoxy primer using an air spray gun.
- Maintain a high level of quality while keeping pace with the production line.
- Inspect surface quality before and after painting and make any necessary adjustments.
- Perform routine maintenance on painting equipment according to recommended procedures with diligence and attention to detail.
- Follow all health and safety procedures at all times.

Candidate Profile:

The successful candidate demonstrates initiative and places a high priority on safety, teamwork, transparency, and respect. We value employees who take a proactive approach to problem-solving, collaborate effectively with others, and are committed to continuous learning and applying best practices.

Qualifications & Skills:

- **Experience Required:** 2 to 3 years.
- Previous experience working in a manufacturing or industrial environment is preferred.
- Previous experience as an Industrial Painter.
- Experience applying epoxy coatings using an air spray gun is considered a strong asset.
- Physical stamina to perform manual work in a fast-paced, high-pressure environment.
- Resourceful, self-motivated, able to work independently, and demonstrates strong initiative.

Why work at Beau-Roc Inc.? *Here are some of our perks:*

- To have a four (4) day work schedule, during the day and all your weekends off!
- Industrial Park located only 15 minutes East from downtown Ottawa-Gatineau
- Complete group benefits program, Matched RRSP, free on-site parking and more!
- Join a dynamic and professional team that works hard while having fun!
- A work environment that allows people to grow and that promotes the development of its employees;
- Exceptional operational know-how in a safe and friendly working environment;
- Inspiring challenges and a vision for long-term, stable career development.

How to apply:

Candidates interested in joining our team should send their curriculum vitae (Resume) **today** along with a cover letter to our Human Resources team directly on this job posting at hr@beauroc.com
